I can use my **Countdown Calendar** so I know when it will be Christmas.

I can send a **letter** to **Santa** to tell him what I would like to receive as a **present** from him.

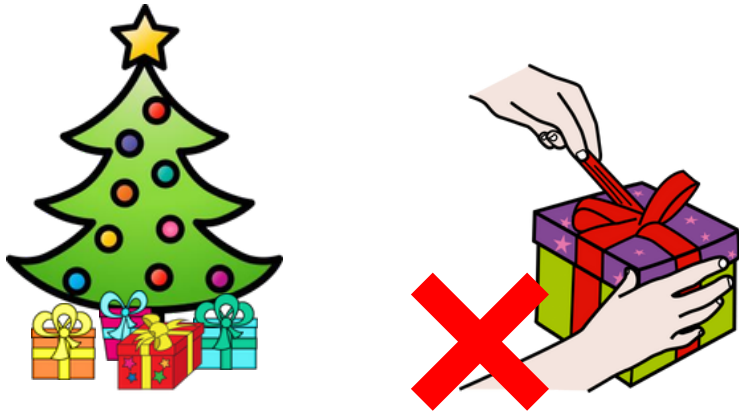

I can use my **Countdown Calendar** so I know when it is time to go back to school.

At home we will put up **decorations** in our house. We will put up and decorate our **Christmas Tree**.

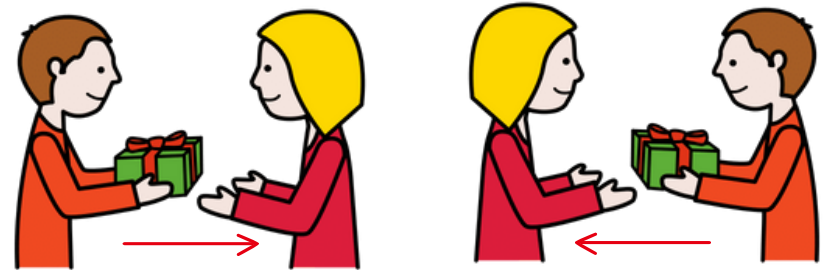

I cannot open presents that are under the Christmas Tree until December 25th

I can **wrap gifts** to give to my family or friends.

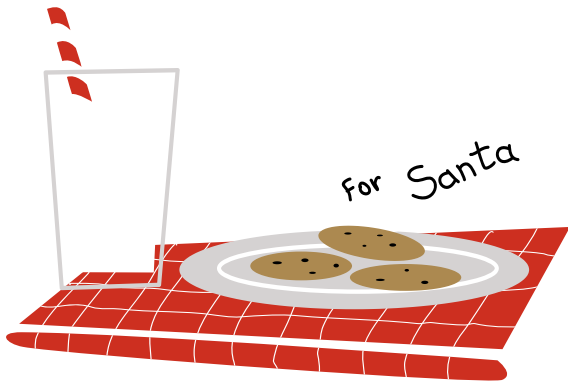

I may give/receive **cards and gifts** to/from family/friends.

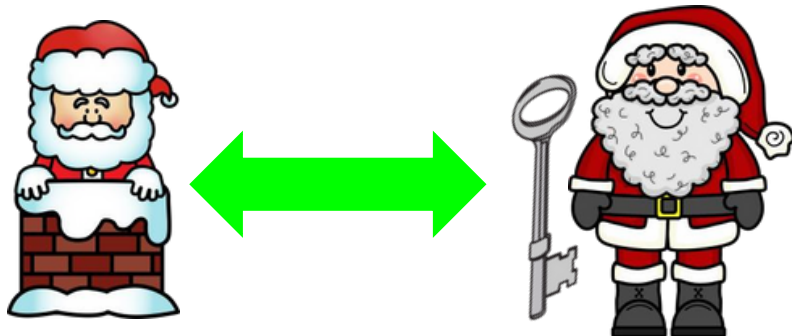

I may **not like** the gift I receive or I may have the same gift already. That is okay, I can tell my mom/dad at home.

I can leave out **Milk and Cookies** for Santa.

Santa can come in the **door** if I leave out a key for him **OR** he can come down the **chimney**. Santa will do which ever I want.

On Christmas Eve I will go to bed early and have a **good sleep**. I will **not get up** until it is **morningtime**.

Santa will bring my **presents** when I am asleep and leave them **under the tree** for me.

In the **morning** when I wake I can **open** all my presents and have fun playing with them. **I will be happy.**
